

# Low Poly Retro Bedroom

by Retropolia

**Thank you** for purchasing the Low Poly Retro Bedroom! I hope you enjoy your new assets. If you like what you see, please leave a review on the Unity Asset Store.

For any questions, please contact me at [retropolia3d@gmail.com](mailto:retropolia3d@gmail.com).

**Important guidelines:** after importing the asset, if you encounter problems with orientation, make sure that each model has “Bake Axis Conversion” checked. See below for an example:
